

SANFORD G. DUKE, M.D., M.B.A.

Executive Vice President and Chief Clinical Officer
Atrium Health Navicent

Sanford G. Duke M.D., M.B.A., is Executive Vice President and Chief Clinical Officer for Atrium Health Navicent System, with 1,000 beds for medical, surgical, rehabilitation and hospice purposes in Central Georgia, including a 637 bed, nationally-verified Level I-designated Trauma Center, and the regions only children's hospital. As a member of the executive leadership team, Dr. Duke

is responsible for providing clinical, operational, and strategic leadership necessary to deliver quality care across the enterprise.

Dr. Duke has more than 25 years of experience in healthcare, joining the executive team at Atrium Health Navicent in February 2020. Previously, he served on the Atrium Health Navicent Board of Directors chairing the Quality and Safety Committee, and on the Atrium Health Board of Commissioners. Prior to his role in administration, Dr. Duke served as a private practice physician for nearly 2 decades.

Dr. Duke earned his bachelor's degree from Duke University, his medical degree from the Medical College of Georgia, and completed residency in Otolaryngology-Head and Neck Surgery at Wake Forest University. He earned a Master of Business Administration from Emory University Goizueta Business School.
