

## Mariana V. Gattegno Biography

Updated 07/01/2023

Mariana V. Gattegno is the Assistant Vice President of Quality and Safety at Wellstar Cobb Medical Center (372 beds), where she oversees all quality, infection prevention, regulatory, and safety operations. Mariana is an experienced professional with a demonstrated history of progressive hospital and healthcare improvement work, who is driven by serving the community and working towards achieving the zero-harm safety goal. She has expertise in utilizing Lean Six Sigma methodologies in complex assignments to deliver interventions linked to patient harm reduction. In addition, Mariana is the founder of Volpini Solutions, LLC, which develops strategic improvement initiatives to advance patient outcomes across the care continuum by developing data analytics and technology-based solutions that create a direct impact on organizational efficiency. Mariana attended the Emory University Rollins School of Public Health, where she obtained her master's degree in public health with a concentration in epidemiology. She is a certified black belt in Lean Six Sigma and quality process improvement and is also a Certified Professional in Healthcare Quality (CPHQ). Mariana currently serves on the Malcolm Baldrige National Quality Award Board of Examiners for the most recent award cycle, is on the Florida Sterling Council Board of Examiners, and is a member of the National Association for Healthcare Quality (NAHQ).
