

Gina Tipton, RN, BSN, MBA, FACHE, CRRN, CSSBB

Gina Tipton is Chief Administrative Officer of Atrium Health Navicent Rehabilitation Hospital and Vice President of Rehabilitation Services at Atrium Health Navicent. She is results oriented and experienced in healthcare operations, quality, revenue cycle, compliance, and community partnership. She is active member of AMRPA, Rotary, AHA, GHA, and GAHE. Gina is co-Vice Chair of GAHE's Program Committee and current GHA Rehab Council Chair. She is an Advisory Board Member for the non-profit Healthcarediversion.org. Gina firmly believes in advocating for our patients and our industry across the full continuum. She is focused on building people up individually and in cultivating a positive team culture.

Gina's clinical background, as a BSN, launched her dedication to serving patients and communities. Her passion continued to grow in operations. Gina is a Certified Six Sigma Black Belt, a Fellow of the American College of Healthcare Executives, and has her MBA. The only thing that motivates her more than her passion serving our patients and communities is her role as wife and mother.
