

Dee Cantrell, MS, BSN, RN, FHIMSS, CIO
HIT Consultancy, LLC
President

Dee Cantrell is an accomplished Senior Executive, Advisor, Speaker and Thought Leader with more than 40 years of success across the healthcare industry.

Dee retired from Emory Healthcare after 21 years where she was the CIO for 16 of those years and established her own CIO consulting practice where she works nationally helping health systems, physician practices, state agencies, and payers with health information technology initiatives, process improvement, operations, cybersecurity, data analytics and more. Dee currently holds a leadership position as the Sr. Executive Healthcare Adviser and CIO/CISO for HealthAll Consulting, LLC which specializes in EHR implementation and optimization and revenue enhancement.

Dee is a Certified Fellow in the Healthcare Information Management Systems Society (FHIMSS) and is very active her Health IT professional organizations such as being on the board for multiple years for GA HIMSS as well as a past president. Additionally, she has served in leadership roles on the Board of Directors for the Georgia Health Information Network -the state designated HIE, the Institute of Medicine Committee on Health IT and Patient Safety, and the National Data Warehousing Institute.

For her exceptional leadership, Dee has been recognized as a top 50 Health Care Leader by Becker's Hospital Review, the Top 10 Women Leaders in Health IT by Healthcare IT News and has twice been named the Georgia CIO of the Year by the Georgia CIO Leadership Association (GCLA).

Dee obtained her Master of Science in Organizational Management from Capella University as well as a Bachelor of Science in Nursing from Brenau University.
