

**Kavanaugh Chandler, MD MBA**  
**Chief Executive Officer**  
**Coastal Community Health**

Kavanaugh Chandler, MD MBA, is Chief Executive Officer of Coastal Community Health. He oversees 16 clinical sites in seven counties in two states with services ranging from primary care, behavioral health, pharmacy, school-based programs, and civic programs.

Kavanaugh has been working in the healthcare sectors, specifically federally qualified health centers since 2018. He transforms “culture” from words to something that is truly tangible. He believes in “fairness and accountability,” leading by kindness, and making a commitment to excellence defined by efficiency and effectiveness that leads to true outcomes.
