

Amanda Mewborn is Vice President of Facilities and Support Services at Atrium Health Navicent. She is responsible for over 500 FTEs, \$15 Million in revenue, and \$45 Million in expenses, leading all facilities and support services for the middle-Georgia market. Before joining Navicent, Amanda worked at Piedmont Healthcare, where she focused on development of a \$452 Million, almost 1 million square foot expansion to Piedmont Atlanta Hospital. Amanda is an industrial and systems engineer as well as a registered nurse. In 2018, she was recognized by Atlanta Business Chronicle as a top 40 business leader under age 40.
